# Sphinx Terrazzo

De rijke Terrazzo-traditie heeft haar oorsprong in het vijftiende-eeuwse Venetië, waar arbeiders hun terrasvloeren verstevigden én verfraaiden door kiezel of ander natuurlijk materiaal in het verse beton te storten. Door het intensief belopen van de vloer werden de steentjes vanzelf gepolijst en gaven ze steeds meer van hun natuurlijke schoonheid prijs. Met *Royal Collection Terrazzo* brengt Sphinx Tegels een oprechte ode aan dit stukje cultureel erfgoed dat inmiddels onlosmakelijk is verankerd in de Italiaanse kunstgeschiedenis. Vanzelfsprekend is *Royal Collection Terrazzo* geschikt voor zowel binnen- als buitentoepassingen.

La riche tradition Terrazzo est née à Venise au XVe siècle, où les ouvriers avaient l'habitude de renforcer et d'embellir le sol de leurs terrasses en versant des cailloux ou d'autres matériaux naturels dans le béton fraîchement coulé. Ces terrasses étant utilisées de manière intensive, les petits morceaux de pierre étaient polis au fil du temps et révélaient peu à peu leur beauté naturelle. Avec *Royal Collection Terrazzo*, Sphinx Carreaux rend un hommage sincère à ce patrimoine culturel, aujourd'hui profondément ancré dans l'histoire de l'art italien. Cela va sans dire, *Royal Collection Terrazzo* peut être utilisé aussi bien à l'intérieur qu'à l'extérieur.

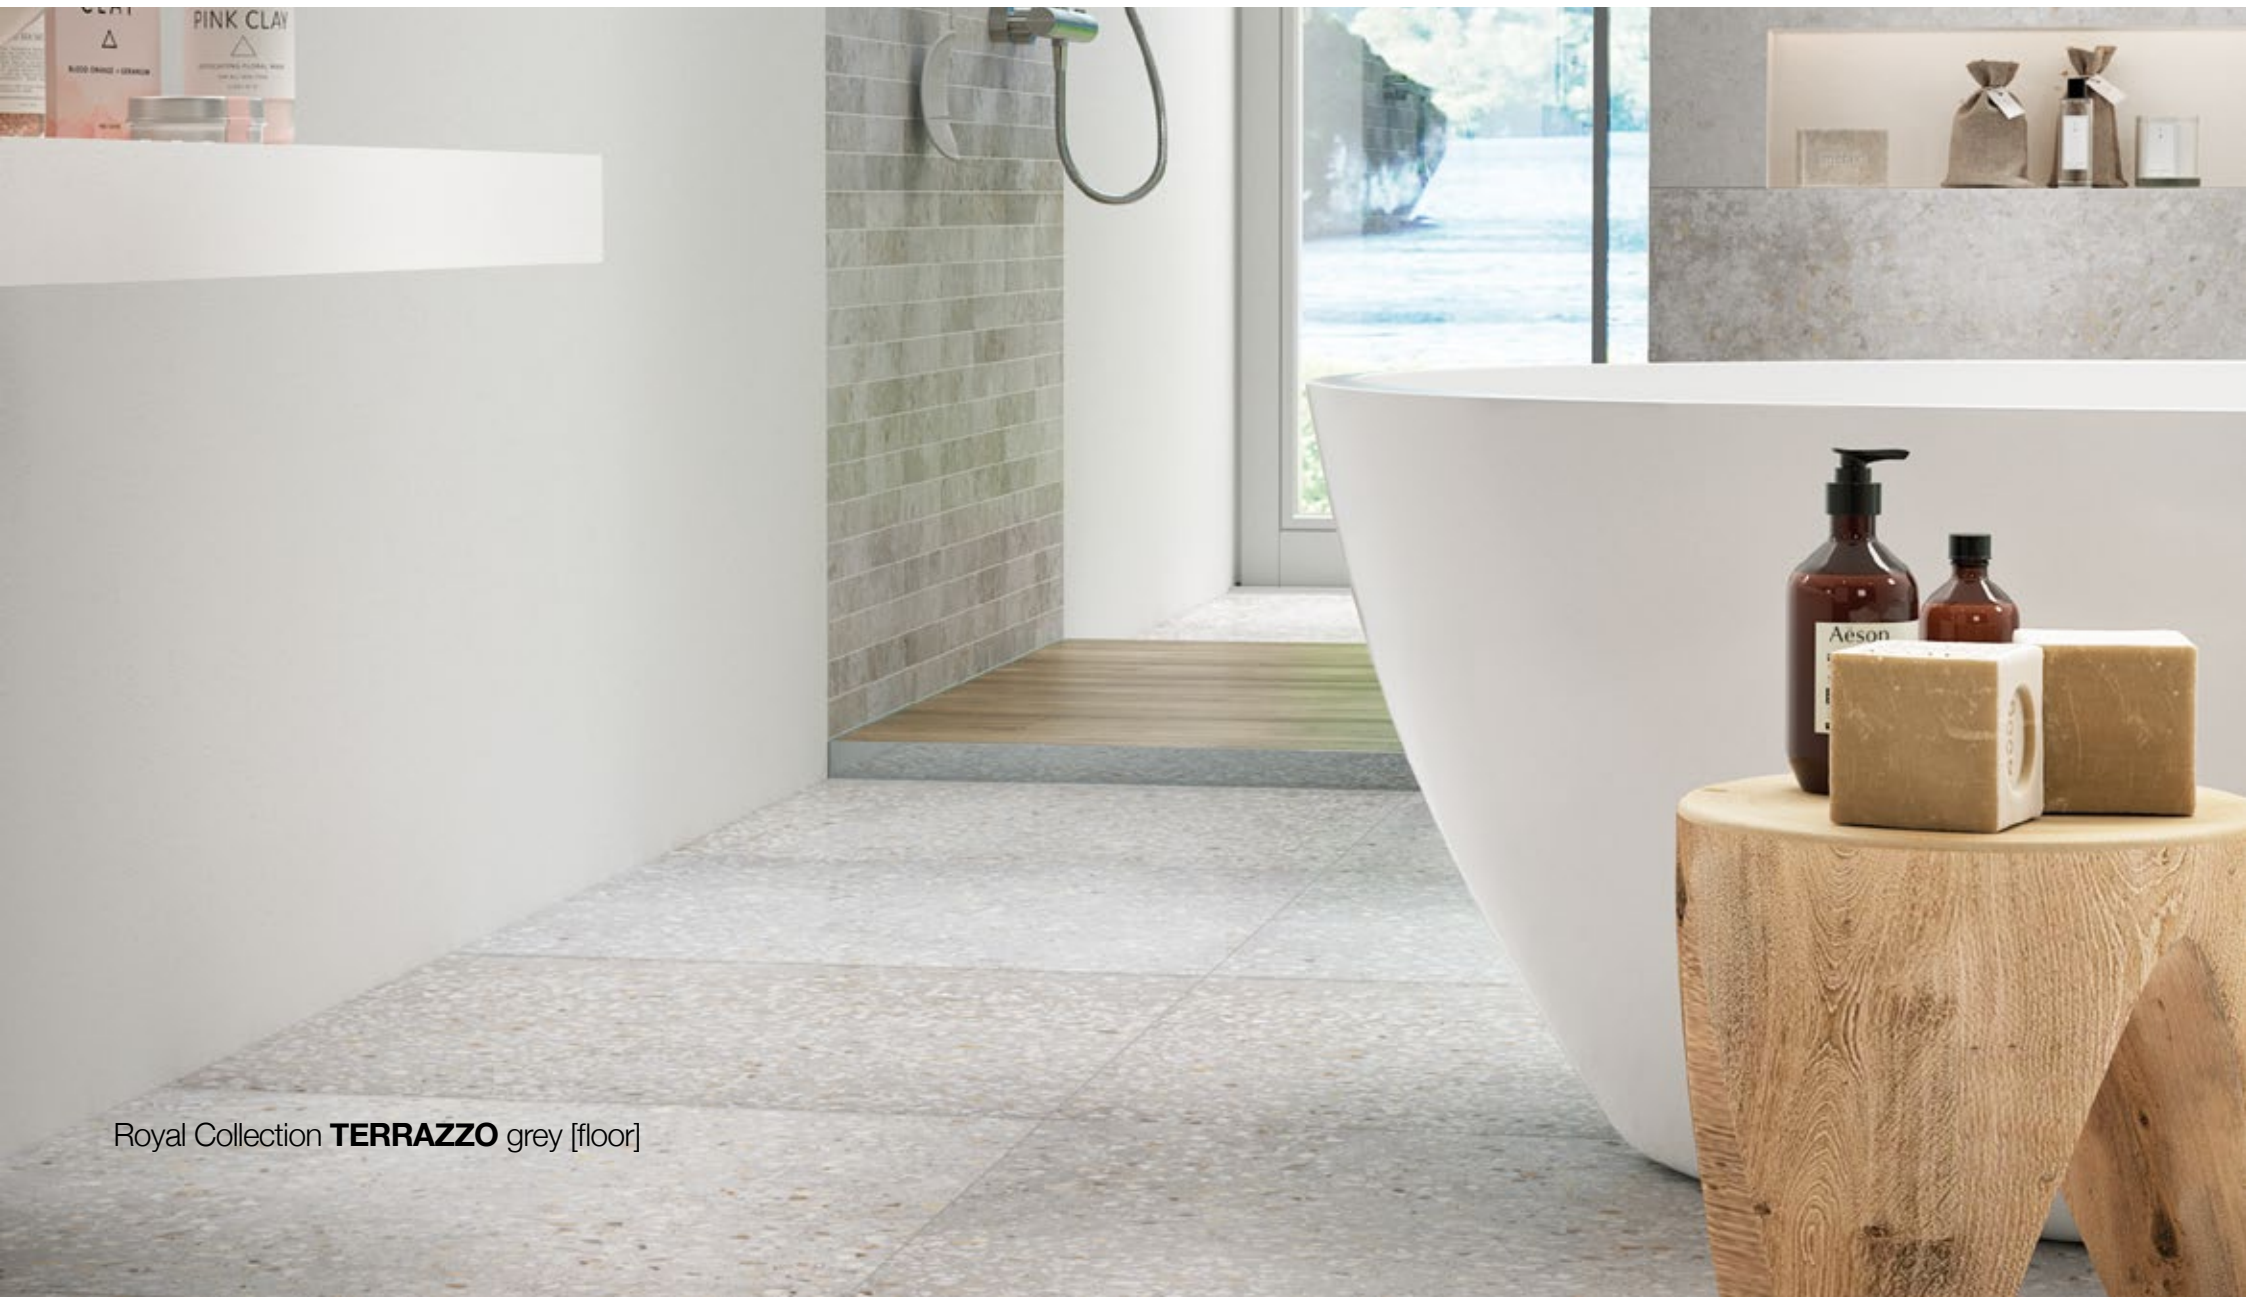

The rich Terrazzo tradition originated in fifteenth-century Venice, where workers reinforced and embellished their terrace floors by pouring pebbles or other natural materials into fresh concrete. The small pieces of stone were naturally worn down and polished by the intensive use of the floor, revealing more and more of their natural beauty. In *Royal Collection Terrazzo*, Sphinx Tiles is paying a sincere tribute to this piece of cultural heritage, inextricably linked with Italian art history. Naturally, *Royal Collection Terrazzo* can be used both indoors and outdoors.

Die lange Terrazzo-Tradition hat ihre Ursprünge im Venedig des 15. Jahrhunderts, wo Arbeiter ihre Terrassenböden befestigten und verschönerten, indem sie Kies und andere natürliche Materialien mit frischem Beton vermischten. Durch die intensive Nutzung der Fußböden wurden die kleinen Steinfragmente von selbst poliert und gaben immer mehr von ihrer natürlichen Schönheit preis. Mit *Royal Collection Terrazzo* präsentiert Sphinx Tegels eine wahrhafte Ode an dieses Kulturerbe, das mittlerweile untrennbar mit der italienischen Kunstgeschichte verbunden ist. Selbstverständlich ist *Royal Collection Terrazzo* sowohl für Anwendungen im Innen- als auch Außenbereich geeignet.
